MEMORANDUM FOR: Chief, Audit Staff, OIG

Bob:

STAT I am truly sorry to have to regret your invitation to attend the luncheon for [] I have to blame the job since Mr. Bannerman will not be here that day and since I seem to be solidly behind in the paper work war at this juncture. I regret not being able to renew acquaintances with members of your Staff. I feel particularly badly about not helping personally to honor Bert for whom I have a high personal and professional regard which extends over quite a span of years, including the period during which we "did time together" []

STAT

Perhaps you would be good enough to give the attached to Bert for me.
